WHO WE ARE ?

DEVERON ND is a leading turnkey solution provider in the field of Waterproofing, Corrosion Control, Chemical Storage tank lining, Air Barrier coatings and Engineering Surface Protection Solution . DEVERON ND is authorized application contractor of ELEPHANT SHIELD's LIQUID RUBBER – World Class Protection coating Technology From CANADA. It is one of the fastest growing companies in this sector

The company's businesses are supported by a strong technical team and service network, and established a reputation for strong customer support. In a short span of time we have experienced growth in an exponential proposition but we have been always conscious of “connect” in our business relationship. Strong, customer-focused approach and the continuous quests for world-class quality have enabled it to attain and sustain leadership in its lines of business.

As a DEVERON ND we believe that progress must be achieved in harmony with the environment. A commitment to community welfare and environmental protection are an integral part of our vision, Results all our products using at site are VOC free, Nontoxic and Cold Apply added highest safety and green environmental standard

With systematic approach and a strong client base, very soon we will be able to achieve a good position in the field of Surface Protection coatings solution.

WHAT WE OFFER ?

We offer guaranteed solutions and undertake Trunkey Projects of Waterproofing, Corrosion Control, Chemical Storage tank lining, Air Barrier coatings and Engineering Surface Protection Solutions for PEB infrastructure, PORTS, Chemical & Food Process plants, All type of CIVIL infrastructure and solution for Changing needs of Coastal, Chemical process and Marin Infrastructure

Solution from DEVERON ND are with latest world class technology and is the answer to modern day's need of protecting assets and enhance operation efficiency in the industries. With growing success, we are committed to achieve customer delight by exceeding their expectations by using world class products, on time compilation of projects and quick services upon needs

WHY DEVERON ND ?

- ✓ Technically sound team offers right solution and applications for specific needs
- ✓ Offers Solution to meet challenging needs of Coastal and Chemical process environmental condition
- ✓ Delivering Guaranteed solution Using Globally Approved Products
- ✓ On time Delivery of Projects
- ✓ Adopt highest standard of Safety & Skill
- ✓ Quick services at client site upon needs
